The Long Beach Police Department wants you to be aware of a series of residential burglaries that have occurred in your neighborhood during the month of December. The areas of concern are from Anaheim Street to Hill Street and the flood control to Atlantic Avenue.

During the past month, 17 homes were burglarized. The suspect(s) entered the homes through unlocked/open windows and locked/unlocked doors. Suspects were seen in three of the burglaries. The suspects described were a male African-American, 5'6" – 5'7", 170-180 lbs., approximately 30-35 years old and a male African-American 5'9" – 6'0", 165-180 lbs., approximately 17 years old. The loss in these burglaries consisted of money, electronic equipment, stereo equipment and computer equipment.

The Long Beach Police Department, Burglary Detail, is asking for your assistance in reducing residential burglaries by reviewing your home security. The following tips will help with your home security.

- Check to make sure you lock your doors and windows.
- Keep your garage doors closed and locked.
- If you will be leaving your home for an extended period of time:
 - Let your neighbors know you will be gone for an unusual amount of time.
 - Have your interior lights on a timer.
 - Cancel any home deliveries you might have.
